Welcome Address

Revered Faculty and Dear Attendees,

The **4th National AIOA Conference** will be hosted by **Department of Anaesthesia and Intensive care PGIMER, Chandigarh** in **September 2024**. We are proud to share that the Advanced Eye Centre which was inaugurated in 2006 is now a centre of excellence for several specialty clinics and services viz. Lens, Cornea, Uvea, Glaucoma, Retina, Vitreous, Pediatric Ophthalmology and Strabismus. Indubitably, as these surgical specialties' have developed so has the anaesthesia services for this subset of the population. The attendees will thus benefit from a meticulous scientific programme with renowned national and international faculty. We take this opportunity to invite both anaesthesiologists and ophthalmologists for this academic event. So, mark your calendar and keep looking forward for latest updates.

Organizers: Department of Anaesthesia & Intensive care

Patrons

Dr Jayashree Sood
President Indian College
of Anaesthsiolgist

Dr Sukhbir Grewal
Senior Ophthalmic
Anaesthsiolgist

Prof M R Dogra
Former Professor & Head
PGIMER, Chandigarh

Organizing Team

**Prof Sandhya
Yaddanapudi**
Organizing Chairperson

Prof Indu M Sen
Organizing Secretary

Dr Tanvir Samra
Co-Organizing Secretary

Prof Vikas Saini
Scientific Co-ordinator

Dr Sanjay Jaswal
Treasurer

Prof Ishwar Bhukal
Workshop Co-ordinator

Highlights

Anatomical Dissection Of Orbit, Orbital Foramen, Globe, Extraocular Muscles

Tracing Optic nerve tract

location of Ophthalmic vessels

Hands on Cadaver Dissection Workshop

Organised by:

Department of Anaesthesia and Intensive care

In association with

Department of Anatomy

and

Department of Ophthalmology

PGIMER, Chandigarh

CME for Postgraduates

Research methodology workshop

**Target audience – Ophthalmology and anaesthesia residents*

Infographic Competition

22nd September, APC Main Hall

Infographics serve as an impactful and dynamic tool for conveying information in a visually arresting, lucid, and imaginative manner. They streamline the delivery of complex data and bolster its memorability. Organizing an infographic competition can prove to be an entertaining, pioneering, and interactive method to spotlight significant areas within our domain. Adhering to these directives, you contribute to the realization of a fruitful competition that ignites imagination and fosters inventive thinking.

TOPICS

Regional Nerve Blocks

Drugs

Artificial Intelligence

Airway

Novel Techniques & Recent Advances

Surgical challenges

Special populations

Guidelines

- ◆ Those who wish to participate in infographic competition should intimate beforehand.
- ◆ Last date of submission of entries are 10th July, 2024
- ◆ Registration for conference is MANDATORY
- ◆ Maximum word limit 500 words, including your co-authors list, designation and affiliation
